

# ALTERNATING LANE CLOSURE NOTICE

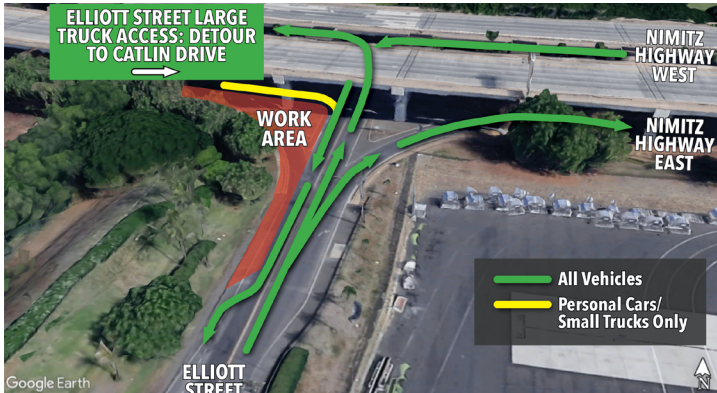

## ELLIOTT STREET INTERSECTION

### OVERNIGHT: 8 PM TO 4 AM

### SEPTEMBER 14 TO 21, 2020

Beginning Monday, September 14, 2020 alternating lanes and turn movements entering and exiting Elliott Street from Nimitz Highway will be closed to support overhead guideway construction activities for one week. Access to businesses will be maintained at all times.

#### TRAFFIC PLANS

1) The right turn pocket entering Elliott Street from Nimitz Highway eastbound may be closed.

Personal vehicles will be able to execute the right turn onto Elliott Street from the outside through lane. Large trucks will be detoured to Catlin Drive for a U-turn to access Elliott Street.

2) The left turn from Elliott Street onto Nimitz Highway westbound may be closed.

Motorists exiting Elliott Street wanting to access Nimitz Highway westbound will be detoured to Catlin Drive for a U-turn.

The left turn from Nimitz Highway westbound onto Elliott Street may be closed.

Motorists wanting to access Elliott Street will be detoured to Valkenburgh Street for a U-turn.

3) The right turn pocket exiting Elliott Street onto Nimitz Highway eastbound may be closed.

Motorists exiting Elliott Street will be able to turn right onto Nimitz Highway eastbound from the through lane.

The left turn entering Elliott Street from Nimitz Highway westbound will be open.

For safety, pedestrians will be detoured around the project area. Bus stops along Nimitz Highway will be relocated during overhead guideway work. For up-to-date bus information, visit [www.TheBus.org](http://www.TheBus.org) or call (808) 848-5555. Visit [hea.thebus.org](http://hea.thebus.org) for real-time arrival information.

If you have any questions or comments, please call HART's 24-Hour Project Hotline at (808) 566-2299. You can also visit the project website at [www.HonoluluTransit.org](http://www.HonoluluTransit.org).

## DRIVE WITH ALOHA AND ARRIVE ALIVE

Watch for workers ◆ Safety is everyone's kuleana

Use these tips to keep workers, pedestrians and motorists safe.

If you see orange cones, put down the phone even in crosswalks

Slow down and obey posted speed limits

Watch out for workers, they may be just feet  
away from the road.

Share the road. Don't tailgate cars and bicyclists.

**We get everyone home safely, everyday**

## NIGHT WORK

The Department of Health has approved a variance for Community Noise Control for night work activities related to the Airport Guideway and Stations segment of the Honolulu Rail Transit Project.

Standard construction equipment, such as bulldozers, excavators, soil augers, backhoes, graders, pavers, mixers, trucks, cranes, saws, generators, compressors and pumps, shall be allowed 24 hours a day during project construction.

Light impact equipment, such as jackhammers, pavement saws and pavement breakers, will be limited to specific night hours in accordance with DOH's approved variance.

If you have any questions, comments,  
or complaints about night work  
and associated noise, please contact
